INDEPENDENT AUDITOR'S REPORT

March 28, 2022

To the Board of Supervisors Pocopson Township Pocopson, Pennsylvania

Report on the Audit of the Financial Statements

Opinions

We have audited the accompanying annual audit and financial report ("financial statements") of Pocopson Township, Pocopson, Pennsylvania, as of and for the year ended December 31, 2021.

<u>Unmodified Opinion on Regulatory Basis of Accounting</u>

In our opinion, the financial statements referred to above present fairly, in all material respects, the balance sheet of each of the fund types of Pocopson Township, Pocopson, Pennsylvania, as of December 31, 2021, and the revenues it received and the expenditures it paid for the year then ended, in accordance with the basis of accounting practices prescribed or permitted by the Department of Community and Economic Development ("DCED") of the Commonwealth of Pennsylvania as described in the Emphasis of Matter – Basis of Accounting section of our report.

Adverse Opinion on U.S. Generally Accepted Accounting Principles

In our opinion, because of the significance of the matter discussed in the Basis for Adverse Opinion on U.S. Generally Accepted Accounting Principles section of our report, the financial statements do not present fairly, in accordance with accounting principles generally accepted in the United States of America, the financial position of Pocopson Township as of December 31, 2021, or the changes in financial position thereof for the year then ended.

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America ("GAAS"). Our responsibilities under those standards are further described in the Auditor's

To the Board of Supervisors Pocopson Township

Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Pocopson Township and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Basis for Adverse Opinion on U.S. Generally Accepted Accounting Principles

The financial statements are prepared by Pocopson Township on the basis of accounting practices prescribed or permitted by the DCED to demonstrate compliance with the DCED's regulatory basis of accounting and budget laws, which is a basis of accounting other than accounting principles generally accepted in the United States of America. The effects on the financial statements of the variances between the regulatory basis of accounting described in the Emphasis of Matter – Basis of Accounting section of our report and accounting principles generally accepted in the United States of America, although not reasonably determinable, are presumed to be material and pervasive.

Emphasis of Matter - Basis of Accounting

We draw attention to the basis of accounting, which is referenced in the second paragraph of this report. Pocopson Township prepares its financial statements using accounting practices prescribed or permitted by the DCED to demonstrate compliance with the DCED's regulatory basis of accounting and budget laws, which practices differ from accounting principles generally accepted in the United States of America. As permitted by the DCED, Pocopson Township prepares its financial statements on the cash basis of accounting; consequently, certain revenues and related assets are recognized when received rather than when earned, and certain expenditures are recognized when paid rather than when a liability is incurred. Additionally, in accordance with the prescribed accounting practices permitted by the DCED, the Township does not include footnote disclosures.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting practices prescribed or permitted by the DCED to demonstrate compliance with the DCED's regulatory basis of accounting and budget laws. Management is also responsible for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

<u>Auditor's Responsibilities for the Audit of the Financial Statements</u>

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and, therefore, is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional

To the Board of Supervisors Pocopson Township

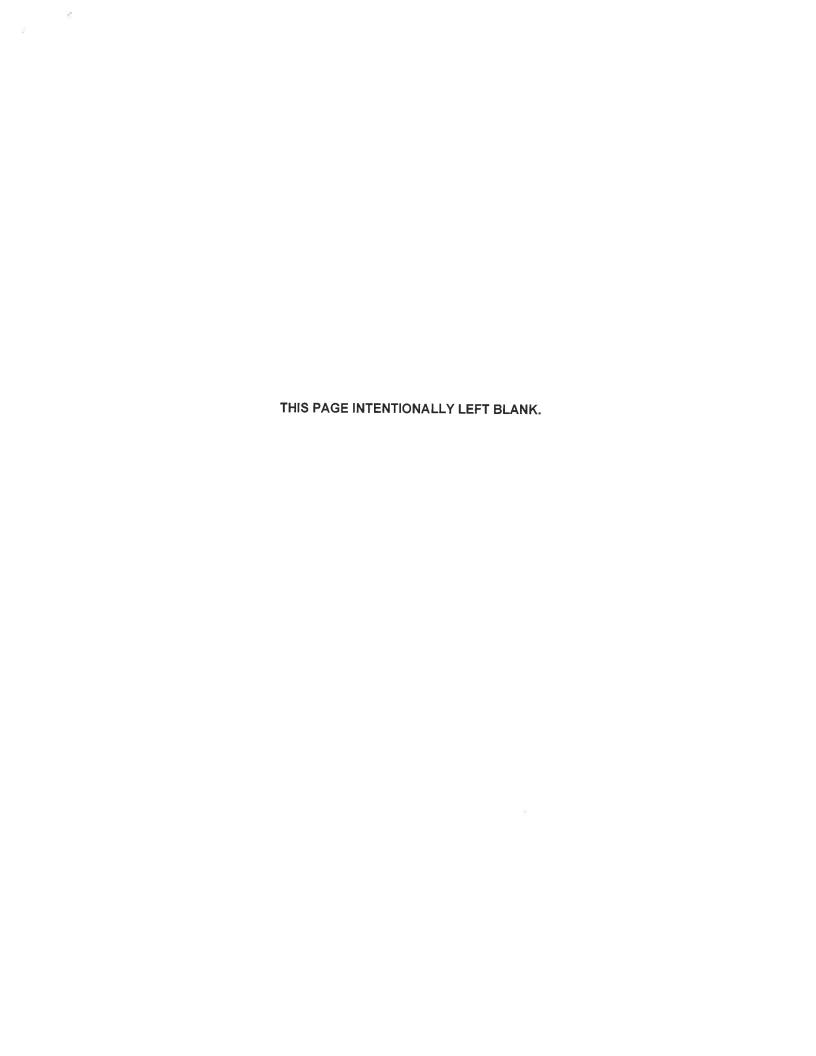

omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due
 to fraud or error, and design and perform audit procedures responsive to those risks. Such
 procedures include examining, on a test basis, evidence regarding the amounts and
 disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit
 procedures that are appropriate in the circumstances, but not for the purpose of expressing an
 opinion on the effectiveness of Pocopson Township's internal control. Accordingly, no such
 opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Pocopson Township's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.
